### 11 **III. FACTUAL BACKGROUND**

12 15. Plaintiff is the owner of exclusive rights in the copyright in the  
13 composition entitled “Dazed and Confused.” Plaintiff’s copyright in “Dazed and  
14 Confused” was registered with the United States Copyright Office on or about July  
15 18, 1967 and bears Registration No. EU0000005346. Plaintiff’s duly renewed  
16 copyright registration in “Dazed and Confused” was filed with the United States  
17 Copyright Office on or about December 7, 1995 and bears Renewal Registration  
18 No. RE0000712016. Plaintiff’s copyright in “Dazed and Confused” shall  
19 sometimes hereinafter be referred to as the “Holmes Composition.”

20 16. The Holmes Composition has been widely distributed and  
21 commercially exploited through album sales, live performances, digital downloads,  
22 streaming and licensing. Defendants have generated substantial revenues from  
23 unauthorized exploitation of the Holmes Composition, none of which have been  
24 paid to Plaintiff. Page learned of the Holmes Composition in or around 1967 when  
25 he was a member of the rock band the “Yardbirds.” Starting in or around 1968, the  
26 Yardbirds began to publicly perform the Holmes Composition. Every performance  
27 of “Dazed and Confused” by the Yardbirds is a performance of the Holmes  
28 Composition.

1           17. In or around 1969, Page disbanded the Yardbirds and founded the  
2 internationally famous rock band “Led Zeppelin.” Led Zeppelin’s self-titled debut  
3 album included a musical composition entitled “Dazed and Confused” credited to  
4 Page as sole author (hereinafter sometimes referred to as the “Page Composition”).  
5 On June 28, 2010, Plaintiff filed a Complaint in the United States District Court for  
6 the Central District of California styled *Holmes v. James Patrick Page et al.*,  
7 CV10-4789-DMG-PJW (C.D. Cal.) for Copyright Infringement against certain  
8 defendants, including, *inter alia*, Page and WC Music Corp. (the “2010 Action”).  
9 In the 2010 Action, Plaintiff alleged that the defendants’ use of the Page  
10 Composition constituted infringement of the Holmes Composition.

11           18. The parties to 2010 Action resolved the case by entering into a  
12 settlement agreement dated September 6, 2011 (the “9/6/11 Settlement”). On  
13 January 17, 2012, the 2010 Action was dismissed by stipulation of the parties  
14 pursuant to the 9/6/11 Settlement.

15           19. Paragraph 5 of the 9/6/11 Settlement provides in pertinent part:  
16 “Defendants acknowledge that they have no claim whatsoever to or with respect to  
17 the Holmes Composition. Defendants agree that Holmes created and had and has  
18 complete ownership of the Holmes Composition and the unrestricted right in  
19 perpetuity, throughout the World, to use, license, and exploit the Holmes  
20 Composition in any manner he sees fit, free from any claims from Defendants or  
21 the Defendant Parties.”

22           20. Subsequent to the 9/6/11 Settlement and within the past three years  
23 prior to the filing of this action, Page and JPL released numerous sound recordings  
24 of the band Yardbirds which embody the Holmes Composition of “Dazed and  
25 Confused” including at least the following (collectively the “Yardbirds Sound  
26 Recordings”):  
27  
28

- (a) Yardbirds '68;
- (b) Live at the BBC Revisited;
- (c) Dazed and Confused: The Yardbirds in '68 – Live at the BBC and Beyond;
- (d) Dazed and Confused – Live in Bouton Rouge;
- (e) The Yardbirds: The Ultimate Live at the BBC, live at Top Geer recorded 6 March 1968, and;
- (f) The Yardbirds Live and Rare – Dazed and Confused – Live on 'Saturday Club' / 5-6 March 1968.

On information and belief, WB Music Corp., on behalf of Page and SML, (a) claimed that the Holmes Composition was the Page Composition; (b) falsely licensed to record labels, including JPL, the Holmes Composition as if was the Page Composition for use on the Yardbirds Sound Recordings; (c) collected monies, including, *inter alia*, license fees, mechanical, performance and synchronization royalties, and Google AdSense revenues on behalf of itself and SML earned from use of the Holmes Composition but falsely attributed to use of the Page Composition; and (d) retained a share of monies it collected and paid the balance to Page and SML. By falsely claiming that the Holmes Composition is the Page Composition, by falsely authorizing use of the Holmes Composition as if it is the Page Composition and by falsely collecting and receiving monies rightfully belonging to Plaintiff for use of his Holmes Composition, Page, SML and WC Music Corp. have willfully infringed the Holmes Composition.

21. Separately and independently from the acts of willful infringement alleged in Paragraph 20 above, Defendants, and each of them have willfully infringed the Holmes Composition in connection with the documentary motion picture entitled "Becoming Led Zeppelin" (the "Film") released in the United States, including in this judicial district, in February 2025. The Film incorporates

1 at least two performances of “Dazed and Confused” – one by the Yardbirds and  
2 one by Led Zeppelin. The Film credits state that: (a) the version of “Dazed and  
3 Confused” performed by the Yardbirds in the Film was “Written by Jimmy Page.  
4 Published by WC Music Corp. on behalf of Succubus Music Ltd.” and, (b) the  
5 version of “Dazed and Confused” performed by Led Zeppelin in the Film was  
6 “Written by Jimmy Page, inspired by Jake Holmes. Published by Warner/Chappel  
7 North America Ltd.” The Yardbirds performance of “Dazed and Confused” in the  
8 Film is a performance of the Holmes Composition. On information and belief, the  
9 Yardbirds version of “Dazed and Confused” incorporated in the Film is the same  
10 audio that appears on the Yardbirds sound recording “Yardbirds ‘68” identified in  
11 Paragraph 20(a) above. Page, SML, and WC Music Corp. have willfully infringed  
12 the Holmes Composition by falsely claiming that the Holmes Composition is the  
13 Page Composition, by purporting to license use in the Film of the Holmes  
14 Composition as if it was the Page Composition, and by collecting license fees for  
15 use of the Holmes Composition in the Film, Page, SML and WC Music Corp. have  
16 willfully infringed the Holmes Composition.

17 22. On information and belief, the Film was produced by PP, AFS and BB  
18 who licensed the Film to SPC for distribution worldwide including, without  
19 limitation, in the United States and this judicial district. By incorporating the  
20 Holmes Composition into the Film without Plaintiff’s permission or authorization  
21 and then distributing the Film throughout the United States and the world, PP,  
22 AFS, BB and SPC infringed the Holmes Composition. On information and belief,  
23 each of PP, AFS, BB and SPC knew or should have known before releasing the  
24 Film for national and international distribution that their use of the Holmes  
25 Composition without Plaintiff’s authorization would constitute copyright  
26 infringement.

27 23. On April 14, 2025, Plaintiff sent each Defendant by email, including  
28 PP, AFS, BB and SPC, a demand they cease and desist from any further

1 infringement of the Holmes Composition. Defendants, and each of them, have  
2 ignored Plaintiff's cease and desist demand and continue to infringe the Holmes  
3 Composition by, *inter alia*, purporting to authorize its use in the Film and/or  
4 releasing the Film to "video on demand" on streaming platforms including  
5 Amazon and Apple TV. On information and belief, Page, SML and WC Music  
6 Corp. have falsely licensed the Holmes Composition, without Plaintiff's  
7 authorization or consent, for use in the upcoming release of the Film in 2025 on  
8 physical media, including Blu-ray and DVD. Defendants have thus committed  
9 multiple acts of willful infringement by continuing to use the Holmes Composition  
10 without authorization and in the face of both specific knowledge of Plaintiff's  
11 rights and Plaintiff's cease and desist demand. On information and belief,  
12 Defendants plan on committing additional acts of willful infringement in  
13 connection with, *inter alia*, the anticipated release of the Film on physical media  
14 without Plaintiff's permission.

15 **FIRST CLAIM FOR RELIEF**

19 24. Plaintiff repeats and realleges Paragraphs 1 through 5, 12 through 20

21 25. As alleged hereinabove, Defendants Page, WC Music Corp., SML, SPC,  
22 PP, AFS and BB each has knowingly and willfully infringed Plaintiff's exclusive  
23 rights in the Holmes Composition under 17 U.S.C. § 106 in connection with their  
24 false and/or unauthorized use and exploitation of the Holmes Composition in  
25 connection with the Film without Plaintiff's consent or authorization.

26 26. Plaintiff is entitled to his actual damages sustained within the three  
27 years prior to the filing of this action and to the profits of Page, WC Music Corp.,

1 Composition in connection with the Film in an amount according to proof at trial  
2 or, at his election, statutory damages of \$150,000 per infringement pursuant to 17  
3 U.S.C. § 504. Plaintiff is also entitled to (a) injunctive relief enjoining Page, WC  
4 Music Corp., SML, SPC, PP, AFS and BB from any further unauthorized use of  
5 the Holmes Composition in connection with the Film; (b) an accounting in  
6 connection with the false and unauthorized use by Page, WC Music Corp., SML,

16 each has knowingly and willfully infringed Plaintiff's exclusive rights in the  
17 Holmes Composition under 17 U.S.C. § 106 in connection with their false and/or  
18 unauthorized use and exploitation of the Holmes Composition in connection with  
19 the Yardbirds Sound Recordings without Plaintiff's consent or authorization.

20 29. Plaintiff is entitled to his actual damages sustained within the three  
21 years prior to the filing of this action and to the profits of Page, WC Music Corp.,  
22 and SML from the willful infringement of the Holmes Composition in connection  
23 with the Yardbirds Sound Recordings in an amount according to proof at trial or, at  
24 his election, statutory damages of \$150,000 per infringement pursuant to 17 U.S.C.

Composition by Page, WC Music Corp. and SML of the Holmes Composition in connection with the Yardbirds Sound Recordings and (c) attorneys' fees pursuant to 17 U.S.C. § 504.

FOR BREACH OF CONTRACT**
